MUZAMIL QASIM

PHP WEBSITE DEVELOPER

📞 +92-3126791657 ✉️ muzamilq35@gmail.com 📍 Multan, Pakistan 🔗 Muzamil-Profile

I am an expert website developer. I have extensive experience in PHP web development. Dedicated to building and optimizing the performance of user-centric, high-impact websites for local and international clients. Utilizing technical, analytical, and problem-solving skills to create dynamic, high-speed websites and web apps.

EXPERIENCE

LARAVEL WEBSITE DEVELOPER
Fiverr
2023 - Present

As a freelance Website Developer on Fiverr. Proficient in various web development technologies such as Laravrl, PHP, HTML, CSS, JavaScript, jQuery, Bootstrap, MySQL, and OOP. I have been using these skills to work on a wide range of web development projects, consistently receiving positive feedback from clients, while developing my technical abilities, project management skills, and work ethic.

IT RECRUITER
Aqua Talent Consulting
2022 - 2023

As a Recruiter at Red Wolf Global, responsible for finding and recruiting qualified candidates for positions based in Europe. I use various tools and work closely with hiring managers and the HR team to understand the specific needs of each position and ensure a good fit for the role and the company. I have experience in recruitment, sourcing, and candidate management, with strong skills in communication and negotiation.

WORDPRESS DEVELOPER
Hayat Tech
2021 - 2022

As a WordPress Developer at Hayat Tech, experienced in developing custom themes and plugins, customizing existing ones, and troubleshooting, debugging and maintaining websites. I have a good understanding of WordPress development best practices and coding standards, I have experience in coding in PHP, HTML, CSS, JavaScript, and jQuery and I work closely with clients and project managers to meet specific requirements.

PHP WEBSITE DEVELOEPR
Fiverr
2019 - 2021

As a freelance Website Developer on Fiverr, I have been honing my skills and building my portfolio since January 2019. Proficient in various web development technologies such as PHP, HTML, CSS, JavaScript, jQuery, Bootstrap, MySQL, and OOP. I have been using these skills to work on a wide range of web development projects, consistently receiving positive feedback from clients, while developing my technical abilities, project management skills, and work ethic.

JUNIOR WEBSITE DEVELOPER
Edutech
2018 - 2019

As a Junior Website Developer intern at Edutech, I gained hands-on experience in developing and maintaining websites, coding in HTML, CSS, and JavaScript, creating and editing website content, and troubleshooting technical issues. Worked with a team of experienced developers, gaining a deeper understanding of web development and improving my technical skills.
